Milford Church Webcams

We are pleased to announce that we have installed a webcam in Milford Church, which will broadcast Mass live from the Church, and can be watched over the World Wide Web. This will be particularly beneficial to parishioners who are housebound and for those parishioners abroad who may wish to tune in and watch also. To watch the Church please tune into www.mcnmedia.tv To avail of this service you need access to the Internet.

TV Set Top Boxes

As part of this service to broadcast Mass, etc., from the Church, there are Set Top Boxes available for purchase which can be attached to a TV and which will then enable parishioners to watch the Church services through their TV without the need of a computer. You do need an Internet connection for this service to work. There is a one off cost of €120.00 for these boxes. For further information please contact the Parochial House.
